Disclosure Statement:

This is a list of apps that has been suggested by the grade level teachers at Crossroads Park for educational use by our students at home. This list is not meant to be an endorsement and/or advertisement of any of the apps listed. These apps have been used under classroom teacher supervision and adult supervision is highly recommended, as we suggest for all technology use. Due to the constant change in app pricing, availability, and content this is not a comprehensive list of all the available apps for your student.
