Q2. How will you apply the learning from today in your classroom?

1	I will be looking at adding new apps to my ipads that were new to me. I will be now be able to understand how to use the google docs and get things sent to my colleagues without it taking me forever.	Sep 18, 2014 7:52 AM
2	Since I'm a support teacher, I'm not quite sure how I'll be applying my tech learning to my classroom. I do think I'll be using Google calendar, though, for organization and planning.	Sep 17, 2014 8:00 PM
3	I will use many of the Google tools I learned today. My favorite Chrome app that I will use a lot is the URL Shortner. It makes websites more friendly for my families to access.	Sep 17, 2014 4:45 PM
4	Students will be able to edit their stop-motion videos themselves on YouTube. Sharing and presenting will be much more streamlined and efficient. Shortcuts to Google extensions will save me time.	Sep 16, 2014 11:37 AM
5	my favorite session was differentiation math k-6. I liked the lesson plan format for one of the options taught.	Sep 15, 2014 3:56 PM
6	I will be able to use google calendar to keep track of important dates. I have more models for differentiating math. I can create forms to give my parents for more information.	Sep 15, 2014 3:14 PM
7	As a sub, I have the unique ability to be a little more prepared when I walk into a classroom.	Sep 15, 2014 3:13 PM
8	I will be able to use Grade Book Beta everyday and google doc/forms.	Sep 15, 2014 3:13 PM
9	Chrome Extension Buttons	Sep 15, 2014 3:13 PM
10	I am looking forward to creating a google classroom. I am also hoping to use my document camera to record lessons and post them on my youtube account to help parents with homework.	Sep 15, 2014 3:12 PM
11	I plan on taking something from each class.	Sep 15, 2014 3:10 PM
12	Love the new app ideas I received today. Great overview of Google Docs, I will use this with my team.	Sep 15, 2014 3:10 PM
13	I am excited to spend more time reflecting and becoming familiar with topics such as iPad apps and google classroom.	Sep 15, 2014 3:09 PM
14	I might try a visual nonfiction essay. I will use google drive.	Sep 15, 2014 3:08 PM
15	Due to my teaching assignment, the learning for today will be used for peer communication.	Sep 15, 2014 3:08 PM
16	I am going to create a google calendar for my students/parents showing assignments, due dates, special events and tests. I am going to purchase some new apps. I am also going to start using Grade Book Beta.	Sep 15, 2014 3:06 PM
17	I will try to integrate more technology and online quizzes into the classroom.	Sep 15, 2014 3:06 PM
18	Begin using Gradebook Beta Teach ipad apps in different content areas Use	Sep 15, 2014 3:04 PM

Q2. How will you apply the learning from today in your classroom?

	googledocs more for documents that are shared between coworkers	
19	Star Fall in the classroom. Google docs for intake forms to parents.	Sep 15, 2014 3:03 PM
20	Google Forms- Share with parents to gather information Starfall- Set up for students to use Google Calendar- Use for school events	Sep 15, 2014 3:01 PM
21	Ready to use Starfall!!!!	Sep 15, 2014 2:59 PM
22	Set up Starfall to use in my classroom, create forms to collect student information	Sep 15, 2014 2:59 PM
23	I plan to share what I learned with my 1st P.L.C. and the Kdg. class I work with ,and Clive ESL team: Virtual Learning Center in EDM, iPad apps for Early Literacy skills K-2, and Starfall.	Sep 15, 2014 2:57 PM
24	1-Use google forms to create online inventories for parents and teachers used in identification 2-google docs and google drive to manage student writing 3-visual nonfiction essays for student products	Sep 15, 2014 2:53 PM
25	Differentiate lessons and work more efficiently with my peers.	Sep 15, 2014 2:52 PM
26	I will continue to try the different applications and get familiar with them.	Sep 15, 2014 1:58 PM
27	I will begin to learn more about Google and its applications.	Sep 15, 2014 1:00 PM

Q3. What did you like about today? What went well?

1	I liked that the classes were not packed and that it gave us an opportunity in each session to ask questions and to try it out.	Sep 18, 2014 7:52 AM
2	I like that the sessions were led/taught by real teachers who use the technology they taught on. I liked that all of the classes had practice time built in. I like the choices if classes available.	Sep 17, 2014 8:00 PM
3	I really liked the Google classes. I felt like they really pertained to me as a preschool teacher and I could find uses for many of the apps.	Sep 17, 2014 4:45 PM
4	I enjoyed that our time didn't seem like it was wasted, or that sessions were let-downs. Each sessions I learned something new and useful.	Sep 16, 2014 11:37 AM
5	I liked we had options to register for	Sep 15, 2014 3:56 PM
6	Very informational. Feel like I have a good place to start using some of the google items.	Sep 15, 2014 3:14 PM
7	The practical applications for the classroom were the ones that I benefited from the most.	Sep 15, 2014 3:13 PM
8	I enjoyed the shorter length sessions to keep attention.	Sep 15, 2014 3:13 PM
9	Chrome Extension Buttons	Sep 15, 2014 3:13 PM
10	I really enjoyed the google classroom and ipad apps classes. I got a lot of information and think they will be very helpful.	Sep 15, 2014 3:12 PM
11	I found something valuable at each session.	Sep 15, 2014 3:10 PM
12	Time to work and explore.	Sep 15, 2014 3:10 PM
13	The google classroom presenter did a fantastic job. I also enjoyed the discussion around appropriate iPad apps for 3-6.	Sep 15, 2014 3:09 PM
14	I liked the session on Chrome and Google Apps, as well as the Visual Nonfiction essay. I thought it was a useful PD day.	Sep 15, 2014 3:08 PM
15	Much of this was new to me. I appreciated the patience of the presenters and the way presented so could be understood. I attended all 101 classes.	Sep 15, 2014 3:08 PM
16	I liked the amount of time for each session. Having our laptops was a must and worked well to follow along.	Sep 15, 2014 3:06 PM
17	user friendly.	Sep 15, 2014 3:06 PM
18	Short sessions to keep your attention span.	Sep 15, 2014 3:04 PM
19	I liked that all sessions were in 1 building.	Sep 15, 2014 3:03 PM
20	Enjoyed learning more about Google Drive, Google Forms, and Starfall	Sep 15, 2014 3:01 PM
21	Loved the google forms class, wish I would have signed up for the 2.0 part of it.	Sep 15, 2014 2:59 PM

Q3. What did you like about today? What went well?

22	I liked moving to different sessions, learning about using Google apps and Starfall.	Sep 15, 2014 2:59 PM
23	Model and time to explore and ask questions if unsure. I liked that we were able to pick the sections we were most interested in.	Sep 15, 2014 2:57 PM
24	I liked the options and personal choice - sessions seemed to be about the right amount of time - also liked that there were so many options for google learning, since district is using so prevalently - most instructors gave time to experiment	Sep 15, 2014 2:53 PM
25	The variety of sessions offered and that they were leveled.	Sep 15, 2014 2:52 PM
26	I loved the sessions! I am hoping that we continue to do our PD days like this. It was the most beneficial PD day in all of my 25 years.	Sep 15, 2014 1:58 PM
27	The instructor from my middle morning session. Katie Sieberling was fabulous.	Sep 15, 2014 1:00 PM

Q4. What suggestions do you have for future PD in technology and/or differentiation?

1	At this time none	Sep 18, 2014 7:52 AM
2	Maybe a few sessions about tech use in small groups, such as those taught by support teachers.	Sep 17, 2014 8:00 PM
3	More Preschool classes! Many of this was geared towards K-12, but there are preschool classrooms in this district. As a new teacher, I was looking forward to signing up for classes that would pertain to preschool, but was very disappointed about the lack of early childhood classes.	Sep 17, 2014 4:45 PM
4	I enjoyed this set-up, with interactive sessions and experts.	Sep 16, 2014 11:37 AM
5	I think keeping elementary and secondary PD in different locations might help with narrowing a focus and keeping the crowd smaller.	Sep 15, 2014 3:56 PM
6	Continue to have classes to keep elementary teachers using these items or the knowledge will be lost. Have level 201 courses available for those of us that had no training on google things prior to today.	Sep 15, 2014 3:14 PM
7	More direct classroom applications.	Sep 15, 2014 3:13 PM
8	Some of the sessions overlapped with information that was taught.	Sep 15, 2014 3:13 PM
9	Continue to choose classes	Sep 15, 2014 3:13 PM
10	I wish some of the classes were more descriptive when we signed up so that I knew whether or not it would be a good fit class for me. The end list of available sessions seemed to be very limited and didn't offer much to choose from. I was originally very excited about the PD day, but then the classes we were offered were all the same.	Sep 15, 2014 3:12 PM
11	This was the best ever!	Sep 15, 2014 3:10 PM
12	Loved it, great PD	Sep 15, 2014 3:10 PM
13	More background information about the topics of the sessions. I went to a few sessions that I thought were going to be more advanced, but were pretty basic.	Sep 15, 2014 3:09 PM
14	none at this time	Sep 15, 2014 3:06 PM
15	I struggle getting my students to have availability to use technology.	Sep 15, 2014 3:06 PM
16	More time to set things up for the classroom.	Sep 15, 2014 3:03 PM
17	To have extra time to implement/set up what we have learned for our classrooms	Sep 15, 2014 3:01 PM
18	CHOOSE...OUTLOOK OR GOOGLE CALENDARS?!?!?!?	Sep 15, 2014 2:59 PM
19	I'd like more small group settings for continue technology and differentiation like today. Thank you! :)	Sep 15, 2014 2:57 PM
20	None at this point.	Sep 15, 2014 2:52 PM
21	I would like to see the same offerings so that we can take the classes that we	Sep 15, 2014 1:58 PM

Q4. What suggestions do you have for future PD in technology and/or differentiation?

weren't able to. Great job!!

22 Keep the 101 classes more concrete, sequential

Sep 15, 2014 1:00 PM
