**Q2. How will you apply the learning from today in your classroom?**

1	I learned to use Google apps and docs. I can see why this is such a great tool -- especially for shared materials. We are going to try to use it in our dept.	Sep 17, 2014 8:11 PM
2	I will make better use of Google docs in my work life.	Sep 16, 2014 10:39 AM
3	Love the Google share documents and will use that for parent surveys, forms, etc.	Sep 15, 2014 3:51 PM
4	math differentiation ideas for co-teaching, several ipad apps, starfall options	Sep 15, 2014 3:15 PM
5	I will try to implement some of the google presentation ideas and use more apps.	Sep 15, 2014 3:14 PM
6	I am going to change my math groups and start incorporating some of the apps.	Sep 15, 2014 3:14 PM
7	By using the apps and what I learned with my students. To meet their individual special needs.	Sep 15, 2014 3:14 PM
8	Information was very helpful in using Google account to better reach all my kids. I can now make documents to save my prep time.	Sep 15, 2014 3:13 PM
9	I plan to get students set up with a WDM Google account so that we can begin saving documents using Google Drive. I plan to explore the Google Apps and YouTube for classroom applications.	Sep 15, 2014 3:10 PM
10	Math differentiation Use Google doc for writing	Sep 15, 2014 3:10 PM
11	I will begin to use Google Docs and Apps. Starfall will be great to use in the classroom during rotations.	Sep 15, 2014 3:09 PM
12	I will use google docs more often so I can access my documents when I am not at home	Sep 15, 2014 3:08 PM
13	I am excited to find ways to use Google Classroom!	Sep 15, 2014 3:07 PM
14	Each session had at least one thing that is doable THIS WEEK! My kids CAN and WILL be able to use these tools for production and sharing!	Sep 15, 2014 3:07 PM
15	Going to create a Google Classroom and do more exit slips on Flubaroo	Sep 15, 2014 3:05 PM
16	Allow myself time to play around with each of these components. Start slow, (one classroom) and expand.	Sep 15, 2014 3:04 PM
17	I am excited to use the ipad apps and technology from star fall into my classroom. I am also excited to use the math rotation sheets that we learned about!	Sep 15, 2014 3:01 PM
18	When differentiating my groups in math and reading. Also, I found the You Tube class helpful- I plan to use it to send my parents videos.	Sep 15, 2014 3:01 PM
19	I will be using many of the apps/websites I learned about with my kids.	Sep 15, 2014 3:00 PM
20	I would like to begin transition my documents and calendar to google. I also learned how to authorize starfall for student use. Thank you!!!	Sep 15, 2014 3:00 PM

**Q2. How will you apply the learning from today in your classroom?**

21	I plan to start using Google Drive to save and merge documents. I will also begin using Starfall with my students now that I have a better understanding.	Sep 15, 2014 2:59 PM
22	Use google forms for some accountability pieces, also for communication and organization. Start creating in google. Get kids working on Starfall more	Sep 15, 2014 2:58 PM
23	lots of tech pieces to try and differentiation models to try.	Sep 15, 2014 2:58 PM
24	I got a lot of good ideas about math differentiation and how to rotate groups so all students can benefit.	Sep 15, 2014 2:58 PM
25	I have lots of new great ideas! The calendar session was helpful and I will use this information right away! The google sessions were awesome and since I do not have much background on this, it will be so helpful.	Sep 15, 2014 2:55 PM
26	I will apply the differentiation session I took in math.	Sep 15, 2014 2:51 PM
27	Reviewing some differentiation in math, I learned about the Reflector App today, Google Sheets to organize data for formative daily assessment in math. I learned how to color code the data!	Sep 15, 2014 2:44 PM
28	I will be able to use google Docs, Drive, Apps, and calendar on a daily basis. I want to use document sharing in my PLC and to share roster information with other teachers.	Sep 15, 2014 2:44 PM
29	I will begin to shift files over to drive. I am excited about surveys and some of the apps we learned about.	Sep 15, 2014 2:42 PM
30	I will use one the google apps for my music classroom. The you tube trimming app was useful for when I show videos to my class.	Sep 15, 2014 2:39 PM
31	I will use starfall and now I know a lot more about google apps.	Sep 15, 2014 2:38 PM
32	I have a working website and will use what I learned in youtube 201 and integrate it on my site.	Sep 15, 2014 2:37 PM
33	Better way to teach technology	Sep 15, 2014 2:07 PM
34	I will be using Google Drive to share documents with the other reading teachers in my building.	Sep 15, 2014 1:33 PM
35	I will definitely try out some new strategies.	Sep 15, 2014 12:59 PM

**Q3. What did you like about today? What went well?**

1	I liked the variety of sessions, the length of sessions, and the format. I liked the advanced sign up and information prior to the day.	Sep 17, 2014 8:11 PM
2	I liked that the individual sessions were just an hour long.	Sep 16, 2014 10:39 AM
3	I love that I can choose what sessions I want to attend. Love the hands-on and time to "play" with what I've learned!	Sep 15, 2014 3:51 PM
4	ability to choose sessions and that it was noted what grade levels were applicable	Sep 15, 2014 3:15 PM
5	I liked the menu approach. We could self-differentiate and attend sessions that could be meaningful to us.	Sep 15, 2014 3:14 PM
6	Learning more about Starfall and math differentiation.	Sep 15, 2014 3:14 PM
7	I liked all the apps I learned about. I learned so much more about Chrome and all the extensions and ways to use it to make things easier for students and myself.	Sep 15, 2014 3:14 PM
8	I learned so much but need more time to process.	Sep 15, 2014 3:13 PM
9	I enjoyed each of the classes. Although there was some overlap among some classes, it helped me to feel more comfortable with Google.	Sep 15, 2014 3:10 PM
10	Math Differentiation Google Drive Google for Grades 4-6	Sep 15, 2014 3:10 PM
11	I like the opportunity to test what I was learning.	Sep 15, 2014 3:09 PM
12	the quick pace of the classes. Not a ton of time spent on one particular thing	Sep 15, 2014 3:08 PM
13	It's always good to have choices! Classes were organized and left plenty of time to experiment and ask questions.	Sep 15, 2014 3:07 PM
14	The choices made differentiation happen! YEAH! Thank you for not just offering the entry level classes.	Sep 15, 2014 3:07 PM
15	I liked to choose the classes that would fit with my needs instead of doing what everyone else was doing.	Sep 15, 2014 3:05 PM
16	google classroom was very interesting and something I will definitely implement into the classroom.	Sep 15, 2014 3:04 PM
17	I enjoyed learning about the starfall component that we are able to use in our classroom. I thought today gave me a lot of good knowledge. I also appreciate the notes that are available to us for later use.	Sep 15, 2014 3:01 PM
18	I liked the hands-on work we were able to do.	Sep 15, 2014 3:01 PM
19	I liked that everything was very applicable and I feel like I will use what I learned. I liked how most of the classes gave you time to try things out for the last 20 minutes or so.	Sep 15, 2014 3:00 PM
20	Time to practice google with support.	Sep 15, 2014 3:00 PM

**Q3. What did you like about today? What went well?**

21	Presenters were knowledgeable and very helpful. Topics were great for this time of year.	Sep 15, 2014 2:59 PM
22	I enjoyed being able to tailor the day to my needs.	Sep 15, 2014 2:58 PM
23	I liked the day's schedule. Scheduling was a bit confusing and should not be opened on a week night evening, off the clock. Great presenters. Thanks to the TLC personnel.	Sep 15, 2014 2:58 PM
24	Choosing our own classes.	Sep 15, 2014 2:58 PM
25	I enjoyed being able to take the sessions that would really help me individually. I think it was organized very well and I hope that this type of format continues. The teachers were so helpful and I enjoyed having the directions all under a tab, so that we can find them after this pd day!	Sep 15, 2014 2:55 PM
26	Timing of sessions was good. Time to practice what we had learned.	Sep 15, 2014 2:51 PM
27	I like being able to choose my path for the day. I also liked having Playground time to try out some tools that I learned about and to talk with my colleagues about what we learned, during work time.	Sep 15, 2014 2:44 PM
28	I feel much more comfortable with google and feel some relief about using it in my workday.	Sep 15, 2014 2:44 PM
29	choice	Sep 15, 2014 2:42 PM
30	I had no idea there were so many apps in google. I am excited to keep exploring the places I can go.	Sep 15, 2014 2:39 PM
31	It was great to be able to choose the sessions that I wanted.	Sep 15, 2014 2:38 PM
32	I loved all the classes on how to use google. The apps class and youtube class was useful.	Sep 15, 2014 2:37 PM
33	learning from colleagues	Sep 15, 2014 2:07 PM
34	I liked how each class gave us time to practice what we learned.	Sep 15, 2014 1:33 PM
35	There was great variety of sessions.	Sep 15, 2014 12:59 PM

**Q4. What suggestions do you have for future PD in technology and/or differentiation?**

1	There were so many good sessions that we couldn't take all we were interested in. Maybe offer some again - like Infinite Campus.	Sep 17, 2014 8:11 PM
2	Have separate days/programs for elementary and secondary teachers. We seem to operate on different planets.	Sep 16, 2014 10:39 AM
3	Keep doing this! It's very beneficial!!!	Sep 15, 2014 3:51 PM
4	specific sessions for ESL, SPED	Sep 15, 2014 3:15 PM
5	None right now.	Sep 15, 2014 3:14 PM
6	The technology pieces are not as appropriate for the lower grades. It is hard to think of how to use google apps with the younger grades.	Sep 15, 2014 3:14 PM
7	Continent with what you are doing. It was great.	Sep 15, 2014 3:14 PM
8	More days like this....more time to process!	Sep 15, 2014 3:13 PM
9	No suggestions. Thanks to all the presenters!	Sep 15, 2014 3:10 PM
10	A little bit more time in each class to practice skills, when you have 5 different topics, it can feel overwhelming	Sep 15, 2014 3:10 PM
11	A couple of my training classes were not relevant with the age group of students I teach.	Sep 15, 2014 3:09 PM
12	maybe a little more clarification as to what grade levels each class was focused on.IE: The using data was more geared towards jr high/HS and wasn't something I would use in an elem setting with my kiddos.	Sep 15, 2014 3:08 PM
13	How can we find ways to follow up at the building level so we can practice our new learning?	Sep 15, 2014 3:07 PM
14	More of the same! I couldn't get to everything I wanted.	Sep 15, 2014 3:07 PM
15	Continue to give us choices on training.	Sep 15, 2014 3:05 PM
16	None	Sep 15, 2014 3:01 PM
17	It would have been nice to allow more time to talk in groups about how we can apply what we learned to our own classrooms.	Sep 15, 2014 3:01 PM
18	Have all instructors upload handouts or presentations to the Apps website so that if you wanted to look at the information from another class you could. For example, I took YouTube 101. When I get more familiar with it, I would like to be able to go look at what they did in YouTube 201 on my own time.	Sep 15, 2014 3:00 PM
19	It was a very useful day!	Sep 15, 2014 3:00 PM
20	Sessions broken up more into elementary, early childhood, middle school, high school, etc.	Sep 15, 2014 2:59 PM
21	More topics/opportunities at the Kindergarten/early childhood level.	Sep 15, 2014 2:58 PM

**Q4. What suggestions do you have for future PD in technology and/or differentiation?**

22	similar layout with choice topics.	Sep 15, 2014 2:58 PM
23	No suggestions- I liked how it was set up! Keep all of the google sessions!!!	Sep 15, 2014 2:55 PM
24	Went well	Sep 15, 2014 2:51 PM
25	More Playground time! I feel like I'm at a spot where I need time to play and create. Would be awesome to do it with colleagues.	Sep 15, 2014 2:44 PM
26	This seemed to work well today. There were short useful sessions that applied to what i do at school.	Sep 15, 2014 2:44 PM
27	This was great. Thanks.	Sep 15, 2014 2:42 PM
28	I suggest we continue to do this each year. Technology is always changing and it is nice to be up to date with what is going on each year and how to use it in the classroom.	Sep 15, 2014 2:39 PM
29	None-it was great!	Sep 15, 2014 2:38 PM
30	I would like to continue doing classes like this. I was able to sign up with fellow teachers that teach the same subject so we were able to learn with each other and discuss how we would use this information in our classrooms. Love this technology PD	Sep 15, 2014 2:37 PM
31	none	Sep 15, 2014 2:07 PM
32	N/A	Sep 15, 2014 1:33 PM
33	Repeat of this day so that I could choose different sessions.	Sep 15, 2014 12:59 PM
